

PRIVACY POLICY

This Privacy Policy discloses the privacy practices for the www.ehl.life site and various related services (together referred to as the "site"). EVERYTHING HIGH LEVEL, the provider of the site (referred to as "us " or "we"), is committed to protecting your privacy online. Please read the information below to learn the following regarding your use of this site.

You acknowledge that this Privacy Policy is part of our Site Terms of Use, and by accessing or using our site, you agree to be bound by all its terms and conditions. If you do not agree to these terms, please do not access, or use this site.

We reserve the right to change this Privacy Policy at any time. Such changes, modifications, additions, or deletions shall be effective immediately upon notice thereof, which may be given by means including, but not limited to issuing an E-mail to the E-mail address listed by registered users and posting the revised Policy on this page. You acknowledge and agree that it is your responsibility to maintain a valid E-mail address as a registered user, review this site and this Policy periodically and to be aware of any modifications. Your continued use of the site after such modifications will constitute your: (a) acknowledgment of the modified Policy; and (b) agreement to abide and be bound by the modified Policy.

1. Types of Information Collected

To better provide you with our numerous services, we collect two types of information about our users: Personally Identifiable Information and Non-Personally Identifiable Information. Our primary goal in collecting information from you is to provide you with a smooth, efficient, and customized experience while using our site.

Personally Identifiable Information: This refers to information that lets us know the specifics of who you are. When you engage in certain activities on this site, such as registering for a membership, ordering a product or service, submitting content and/or posting content in discussion forums or other public areas, entering a contest or sweepstakes, filling out a survey, or sending us feedback, we may ask you to provide certain information about yourself by filling out and submitting an online form. It is completely optional for you to elect to engage in these activities, however, we may ask that you provide us personal information, such as your first and last name, mailing address (including zip code), E-mail address, employer, job title and department, telephone and facsimile numbers, and other personal identifying information. Please note that Everything High Level is not responsible for the information you volunteer about yourself in the discussions in certain public areas of the Services, such as forums, blogs, wikis, chat rooms, private messages, message boards or other publicly accessible interaction, or information that you choose to make public in your member profile or other areas of the Services that allow users to upload or post content. We discourage users from posting such Personal Information in this fashion. When ordering products or services on the site, you may be asked to provide a credit card number. Depending upon the activity, some of the information we ask you to provide is identified as mandatory and some as voluntary. If you do not provide the

EVERYTHING HIGH LEVEL

Privacy Policy

mandatory data with respect to a particular activity, you will not be able to engage in that activity.

Non-Personally Identifiable Information: This refers to information that does not by itself identify a specific individual. We gather certain information about you based upon where you visit on our site in several ways. This information is compiled and analyzed on both a personal and an aggregated basis. This information may include the Web site's Uniform Resource Locator ("URL") that you just came from, which URL you next go to, what browser you are using, and your Internet Protocol ("IP") address. A URL is the global address of documents and other resources on the World Wide Web. An IP address is an identifier for a computer or device on a Transmission Control Protocol/Internet Protocol ("TCP/IP") network, such as the World Wide Web. Networks like the Web use the TCP/IP protocol to route information based on the IP address of the destination. In other words, an IP address is a number that is automatically assigned to your computer whenever you are surfing the web, allowing web servers to locate and identify your computer. Computers require IP addresses for users to communicate on the Internet.

2. Collection Methods and Use of Information

We do not collect any Personally Identifiable Information about you unless you voluntarily provide it to us. You provide certain Personally Identifiable Information to us when you (a) register for our services and register your E-mail address with us; (b) enter sweepstakes or contests sponsored by us or one of our partners; (c) sign up for special offers from selected third parties; (d) send E-mail messages, submit forms or transmit other information by telephone or letter; or (e) submit your credit card or other payment information when ordering and purchasing products and services on our site. We may also collect information from you at other points on our site that state that such information is being collected.

In addition, we may also collect, or our third-party ad server and/or content server may collect, certain Non-Personally Identifiable Information. This information is ultimately stored in the form of store categories, and, in some cases, specific URLs. We use your IP address to diagnose problems with our servers, software, to administer our site and to gather demographic information. Our third-party ad servers will also provide us with summary, but not individual, reports that will tell us how many ads were presented and clicked upon at our site.

We will primarily use your Personally Identifiable Information to provide our services to you, as required by our agreements with you. We will also use Personally Identifiable Information to enhance the operation of our site, fill orders, improve our marketing and promotional efforts, statistically analyze site use, improve our product and service offerings, and customize our site's content, layout, and services. We may use Personally Identifiable Information to deliver information to you and to contact you regarding administrative notices. We may also use Personally Identifiable Information to resolve disputes, troubleshoot problems and enforce our agreements with you, including our Site Terms of Use, Sales Terms and Conditions, and this Private Policy.
